T&J Electric

T&J Electric is first and foremost a manufacturer, we are one of the largest LV electrical switch and socket makers in the world, with a fully owned production facility with over 80,000 sqm "under roof".

T&J Electric has manufactured British standard wiring devices sold in the UK market with a value in excess of USD 50 million over the past 20 years and now we will enter the continental European project supply market.

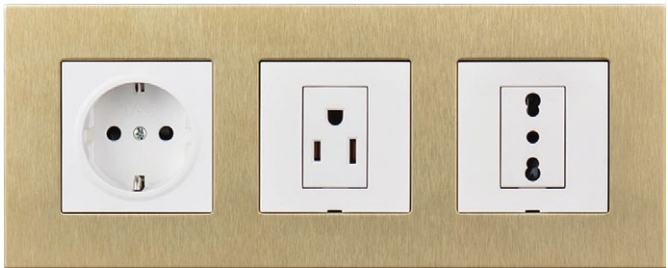

T&J Electric is one of the very few international wiring device brands that is installed in various properties of almost every major international 5 star hotel chain including Four Seasons, Oberoi, Hyatt, Marriott, Hilton, Intercontinental, Sofitel and the Waldorf Astoria.

T&J Electric continues to win wiring device supply contracts for some of the most prestigious hospitality projects worldwide and in general is conducting more business each day in in the MENA region, Europe, Asia, Latin America, Oceania and sub-Saharan Africa .

T&J Electric can supply a high-value product line factory-direct or through one of our industry-expert distribution partners for major new building or renovation projects that require standard and / or bespoke stainless steel, iron alloy, aluminium or plastic wall plates, hotel specialty products like shaver sockets or key cards, audio-video connections and a variety of multi-media hub solutions.

T&J manufactures IEC certified sockets in many different standards including British, German, French, Swiss, Italian, South African, Brazilian, American and NZ/Australian and is a leader in universal socket design.

Please connect with T&J Electric today for more details about our high-quality products or to schedule a visit to one of our international factory showrooms or with one of our expert industry distribution partners.

Wide selection of painted colours, simulated wood grain finishes, aluminium, premium 1.5 mm stainless steel - all wall plates are available in almost any finish imaginable to meet your interior design scheme and project specifications.

A variety of mechanisms are available, including most types of switches, certified power sockets in a wide variety of national standards, audio-video connections, telecoms, USB chargers and a complete line of hotel products.

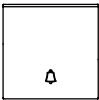

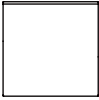

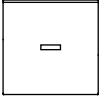

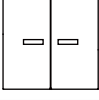

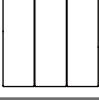

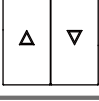

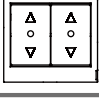

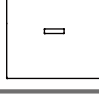

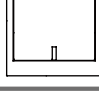

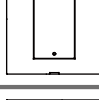

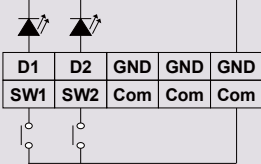

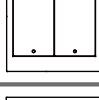

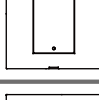

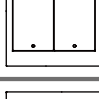

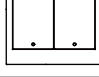

Multi-gang plates (up to 5 gang) in polycarbonate, or stainless steel for a nearly unlimited variety of mechanism combinations to satisfy most project requirements.

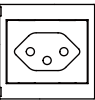

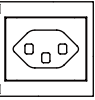

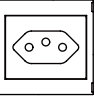

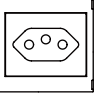

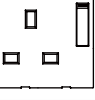

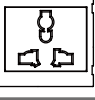

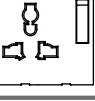

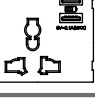

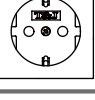

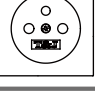

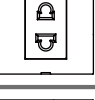

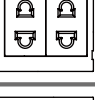

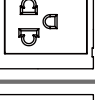

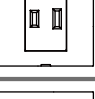

Bespoke (custom-made) products can be made to meet almost any specific end-user requirement from etched icons, text or patterns to special customised metal finishes or unique painted colours or electro-plated polycarbonate plates.

	JC1512-W-A+W2600	1W LED Night Light / Stair Indicator
	JC1512-W-A+W2747	3-400W 230V Dimmer (trailing edge,EMC,push on /off)
	JC1512-W-A+W2726	400VA 230V Fan Control (push on /off)

Telecoms and A/V

Product	Model No.	Description
	JC821PC-W-A JC841PC-W-A	1 Gang RJ45 Cat.6 Data Socket 1 Gang RJ45 Cat.6a Data Socket
	JC822PC-W-A	2 Gang RJ45 Cat.6 Data Socket
	JC811-4TU-W-A	1 Gang RJ11 Telephone Socket (4 Pin)
	JC811PC-4TU-W-A	1 Gang RJ45 Cat.6 Data Socket + RJ11 Telephone Socket (4 Pin)
	JC801TV-PC-W-A	1 Gang TV Socket With Surge Protection + RJ45 Cat.6 Data Socket
	JC8201TM-W-A	1 Gang BT Master Telephone Socket
	JC801TV-W-A	1 Gang TV Socket With Surge Protection
	JC801ETV-W-A	1 Gang Sat.TV Socket
	JC801HDMI-W-A	1 Gang HDMI Outlet
	JC811AO-W-A	1 Gang Audio Outlet
	JC811VO-W-A	1 Gang Video RCA Outlet
	JC801AVO-W-A	1 Gang Video Socket + 1 Gang Stereo Audio RCA Outlet
	JC811VGA-W-A	1 Gang VGA Outlet (Double Female)
	JC811EO-W-A	1 Gang ϕ3.5 Stereo Headphone Outlet
	JC811USBA-W-A	1 Gang 2A USB Power Charger

Telecoms and A/V

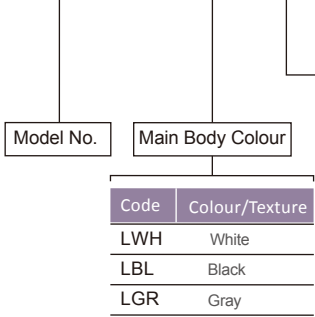

Product	Model No.	Description
	JC8332LUSB-W-A	18W 100-240V Dual USB Power Charger
	JC8211USB-W-A	USB Outlet (Data Only)
	JC8102LUSB-W-A	Type C + Type A Quick Charger USB (quick charge is available if only one port is used)
	JC1511-W-A	1 Gang Modular Plate
	JC1512-W-A	2 Gang Modular Plate
	JC1514-W-A	4 Gang Modular Plate
	JC1401F	1 Gang Spray Proof Plate

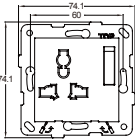

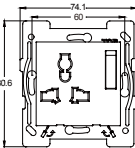

- Please contact us for a wider range of module selections, IP66/55 boxes, media hubs, and a variety of floor sockets that are not listed above.
- Compatible with Palladiom frame by Lutron USA.

Ordering Code

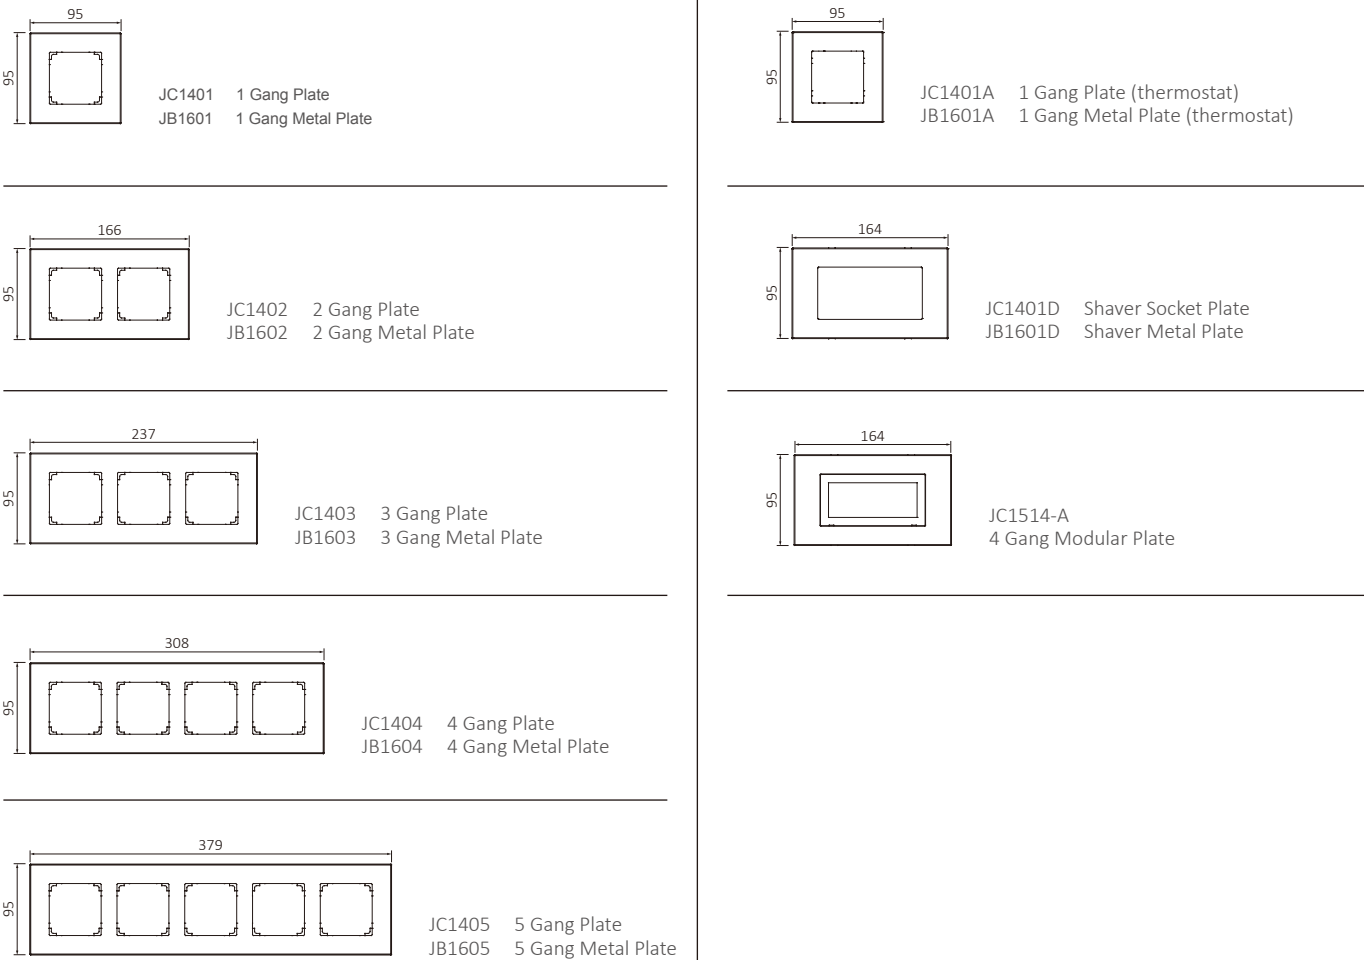

JC8318S-W - LWH - A

Product	Code	Description
	(No Code Needed)	Non-standard Bracket Fits round boxes, for both horizontal + vertical installations
	A	Default Bracket Fits both British + round boxes, for horizontal installation only

Plates are also available in 86mm height

Scale: mm
